Full Stack Web Developer

Full stack web developer utilizing a background in management to create scenic views for users. Recently acquired a certificate in full stack web development from Michigan State University. Skills include HTML, CSS, JavaScript, and Node.js. Strengths include great attention to detail as well as taking initiative to expand my knowledge of technologies. Recently worked with a team to create an eCommerce application for tech products. Pleased to be able to gather the vision for a project and translate it onto the web.

TECHNICAL SKILLS

Languages: JavaScript ES6+, CSS3, HTML5, SQL, JSON
Applications: GitHub, Heroku
Database: MySQL, MongoDB
Tools: React, Redux, Express.js, Node.js, Handlebars, JQuery, MaterialUI, Bootstrap, GraphQL
